

Production Associate – Fabrication & Assembly

Location: 966 Corporate Blvd., Suite 130, Aurora, IL 60502

Join the Centor Team

Centor is seeking dependable, full-time Production Associates to join our modern manufacturing facility in Aurora, Illinois. We manufacture premium folding window and door systems using aluminum, wood, and glass. If you enjoy working with your hands, take pride in quality craftsmanship, and want to build a long-term career, we'd love to hear from you.

Whether you have manufacturing experience or are looking to start a new career, we provide training, support, and opportunities for advancement.

What You'll Do

- Assemble high-quality products using hand and power tools.
- Work in assembly, metal fabrication, wood fabrication, CNC machining, warehouse, shipping/receiving, or aluminum painting.
- Read and follow work instructions and production drawings.
- Inspect finished products to ensure they meet Centor's quality standards.
- Maintain a clean, organized, and safe work environment.
- Work as part of a team to meet daily production goals.

What We're Looking For

- Safety-conscious with a strong work ethic.
- Reliable, punctual, and self-motivated.
- Detail-oriented and able to follow directions.
- Willing to learn new skills and work in multiple departments.
- Able to read and use a tape measure.
- Comfortable working with both Imperial and Metric measurements.
- Manufacturing experience is a plus, but not required—we will train the right candidate.
