

SUNCAST IS HIRING!

We are looking for skilled and talented Technicians to join our team: Automation Maintenance, Equipment Maintenance, Set Up, and Process.

Suncast is a plastics manufacturer, and serves as the industry leader in lawn and garden products.

Great benefits include Blue Cross/Blue Shield health insurance, 401(k) with a match, profit sharing, and paid vacation time. Suncast also offers quarterly bonuses based on volume and productivity.

We offer competitive pay scales, with annual reviews and increases that reflect employee performance.

Pay rates for Set-up Technicians with little to no experience start at \$17/hour. For roles in Automation and Equipment Maintenance, pay rates are up to \$23/hour or more, based on amount of relevant work experience, certifications, and education.

At Suncast we pride ourselves on developing and training our employees, promoting talented individuals with ambition, positive attitudes and a drive to learn. We offer a positive, encouraging, and exciting culture, while fostering a clean, safe and respectful work environment, where employees have more than a job – they can build a rewarding career!
